The Revolution Ride & Festival

The Revolution Ride and Festival is a one-of-a-kind event that redefines—even revolutionizes—the way people think about cycling and disability. It's the largest fundraiser for Bay Area Outreach & Recreation Program (BORP), a nonprofit organization that offers life-changing sports and recreation programs for people with physical disabilities.

As a sponsor of The Revolution, your company:

- Gains visibility in the cycling, disability, and adaptive sports communities
- Engages 100+ volunteers, 250+ cyclists and approximately 1,500 individuals who sponsor event cyclists.
- Is featured in BORP's communications, reaching 10,000+ newsletter subscribers, 1500+ monthly website visitors, and almost 2,000 Facebook followers.
- Supports programming that transforms the lives of children, youth and adults with disabilities.

About The Revolution

Held in Sonoma County Wine Country, the Revolution Ride & Festival engages 250+ cyclists, 100+ volunteers, and 1,500 individual sponsors of the riders. The bike routes range from a 5K "roll and stroll" to a metric century. Riders with and without disabilities are encouraged to participate.

The day's events include a pre-ride breakfast bar, and a post-ride festival featuring fine wine, music, lawn games and free professional massages for riders. The day concludes with a gourmet meal and a short celebratory program with special guests and sponsor recognition.

“BORP made it possible for me to get out of my wheelchair and ride a bike again!”
BORP Participant

“Our company supports BORP because of its powerful impact on the lives of its participants. BORP really makes a difference for people with disabilities.”
