About Bay Area Outreach & Recreation Program (BORP)'s Signature Event: The **Revolution** Ride & Festival

For over 40 years BORP's mission has been to promote the health, independence and social integration of children, youth and adults with physical disabilities through sports and recreation programming, and we offer a full menu of adaptive sports, fitness and recreation opportunities to achieve this mission.

Sponsorship of the Revolution Ride and Festival is a great way for a company to support BORP's work. The Revolution offers a day of cycling and fun for people of all abilities and provides core funding for BORP's programs.

Please join us. Your investment will make a profound difference in the lives of hundreds of BORP participants. All sponsorship donations are tax deductible.

Details about the Event

The Revolution Ride & Festival is held at Trentadue Winery in Geyserville, CA. More than 250 cyclists participate, choosing to bike one of four routes through the Sonoma wine country including a 5k "Roll and Stroll" in the vineyard or rides of 25, 45, and 65 miles. Rest stops along each route are stocked with snacks, drinks and warm welcomes from volunteers.

People with and without disabilities, young and old, are all welcome to participate. In the morning riders are served drinks and snacks at the breakfast bar. Post-ride snacks, fine wine, music, lawn games and massages by trained massage therapists welcome riders upon their return. The day wraps up with a gourmet meal and a short celebratory program with special guests and sponsor recognition.

All Revolution riders and event guests receive:

- Revolution t-shirt
- Breakfast and snack buffets
- Gourmet meal after the ride
- Open bar of wine, beer, and non-alcoholic drinks
- Complimentary massage for riders

About BORP's Programs

At BORP, people with physical disabilities and visual impairments engage in sports and recreation at all levels, from competitive team sports to recreational activities and outings. Through BORP, athletes and participants gain confidence, independence, and self-esteem. They learn new skills, such as improved wheelchair control, how to navigate transit systems, and how to set goals and work to achieve them—skills that carry over into in all aspects of life.

Programs Include

- Access Northern California
- Adaptive Cycling
- Adventures & Outings
- Wheelchair Basketball
- Goalball
- Exercise, Fitness and Wellness
- Junior Adventures
- Power Soccer
- Sled Hockey
- Veterans Outreach

“Our connection to BORP cycling has been life-altering for both of us! Nicole and I get to have a great time together and we both get wonderful outdoor exercise. THANK YOU BORP!!!”

Anna Tague, mother of BORP participant Nicole Tague

“BORP did not just provide an opportunity for me to play basketball again, it provided me new friendships and camaraderie with other people with disabilities. We are able to share stories about our disabilities, our barriers, and our accomplishments on and off the court.”

Steve Lau, adult BORP participant and volunteer
