

MASSAGE THERAPISTS NEEDED

Reach a new community and gain experience while volunteering your time to support athletes with physical disabilities.

The Revolution Ride & Festival is a cycling fundraiser benefiting Bay Area Outreach & Recreation Program (BORP), a nonprofit in Berkeley, CA. BORP is the Bay Area's leading provider of sports, fitness and recreation programs for people with physical disabilities.

At the Revolution, participants of all ages and abilities ride together through the beautiful rolling hills of Sonoma Wine Country. At the end of the day, everyone relaxes and celebrates together at Trentadue Winery where riders receive a free professional massage.

BORP is seeking massage therapists to volunteer their services at the Revolution on Saturday, September 23, 2017.

Interested massage therapists and massages therapists in training with access to a massage table are encouraged to volunteer. In addition to supporting a great cause, volunteers receive a gourmet lunch, a Revolution t-shirt and a \$50 VISA gift card.

To volunteer, visit www.borp.ivolunteer.com and click on the "Festival Volunteers" link. Email questions to revolution@borp.org.
