ABOUT BORP

Founded in 1976, Bay Area Outreach and Recreation Program (BORP) supports people with disabilities to build independence, fitness, confidence, and social connection through sports and recreation. Each year, more than 1,000 children, youth and adults from across the San Francisco Bay Area participate in our comprehensive adaptive programs.

- Sports (Wheelchair Basketball, Power Soccer, Goalball, Sled Hockey, Track and Field)
- Adaptive Cycling Center and Bike Share Program
- Fitness Studio
- Outdoor Recreation
- Programs for Veterans

“BORP has given me my active life back. I cannot overstate how important it’s been to my physical, mental and social well-being.” -BORP Participant

ABOUT THE EVENT

At this annual event, BORP celebrates the dedication, contributions and achievements of the athletes, adventurers, leaders, and coaches who have made an impact on adaptive sports. This year, we will highlight the contributions of women in the field.

Attendees will hear directly from athletes and leaders in the disability and adaptive sports community, and have the opportunity to make personal connections at this moving event.

Sponsorship allows your company to:

- Gain visibility in the disability and adaptive sports community.
- Support programming that transforms the lives of children, youth and adults with physical disabilities.

All event sponsors are invited to a pre-event champagne reception where you can meet and mingle with award recipients, BORP board and staff, and leaders in the disability and adaptive sports community.

The 2019 BORP Hall of Fame and Awards Celebration will be held at the Ed Robert Campus in Berkeley, on June 19.

VIP champagne reception: 5pm

Main Event: 6pm - 8:30pm

“BORP has not only changed my son’s life, but mine as well. He is way more independent than I ever imagined and I am far more relaxed about his situation. The BORP staff does amazing things with these kids!” -Parent of a BORP Participant
